

Malta, December 12th 2024.

Dear valued Customer.

Effective from January 1st 2025, after the liberalization of Cargo Fuel Surcharge in Hong Kong, Challenge Air Cargo will use its own mechanism to adjust fuel surcharge on monthly basis. The most up-to-date level will be published on our company website. In view of the latest index, Challenge Air Cargo is going to increase the cargo fuel surcharge in accordance with the newly implemented mechanism. Revised fuel surcharge will be imposed to all shipments ex HKG, with effective date of January 1st 2025 and should be applied according to Chargeable weight of each Air Waybill and in accordance with the following rate:

Ex HKG: HKD3.05/KG

Best regards,

Or Zak – Challenge Group CCO.
